

FLOOR STAND DISPLAYS

	PRODUCT ITEM NUMBER	DESCRIPTION	DIMENSIONS
01	Saturn 2-50361	Backlighted/rear illuminated poster, 8 individual high-light frame boxes and capacity for 54 frames	25.8 x 75.6 x 18.1" 655 x 1920 x 460 mm
02	Saturn 2-50363	Long poster, 6 high-light individual boxes and ab edge-lit shelf (double-sided)	34x 75.6 x 18.1" - 875 x 1920 x 470 mm
03	Spinner XL	Freestanding spinner with 7 Alumina locking rods and 17 positions/rod - key-locked	22 x 79.4" - 559 x 2017 mm
04	Basalt Display	The lockable Basalt display (flexible capacity), is a black with oak industrial modern freestanding display. This display offers capacity for 4x15 sunglasses. The satin-finish semi-transparent plate ensures that limited drop shadow is visible and makes the display a popular item. The free standing unit has a back wall that you can turn around with a mechanism that ensures that the wall automatically returns to the neutral position. The base is equipped with a leveling system that ensures an upright display even with a non-level floor.	23.4 x 76.6 x 19.7" - 595 x 1945 x 500 mm
