

# Wooden Frame Boards Smart w/Shelving - Ultimate

Enhance your eyewear showroom with the Ultimate Laminated Wooden Panel featuring our cutting-edge Smart Display System, blending style and practicality bundled with the matching DW cabinet. This display includes 84 individual clear polycarbonate eyewear holders, providing ample space to showcase your eyewear collections with ease. The set also includes standoff caps for mounting your custom logo at the top of each column. Installation is seamless and secure, thanks to the French cleat system. The design features a white-laminated front panel layered over a secondary wood panel, available in a range of colors to complement your showroom's aesthetic.
