

# Wooden Frame Boards with Shelving - Ultimate

Elevate your eyewear showroom with the Ultimate Laminated Wooden Panel with Shelves, designed to combine sophistication and functionality. This display features seven polished frosted plexiglass shelves, each measuring 34.5" W x 7" D, offering ample space for showcasing your eyewear collections. The set includes 21 hardware pieces for secure shelf installation, along with standoff caps for mounting your custom logo at the top of each column. With a French cleat system, installation is both seamless and secure. The white-laminated front panel is layered over a secondary wood panel, available in multiple colors to suit your aesthetic.
